This is Alpine lifestyle De Luxe

Join us at the Trofana Royal and become part of a legend: Since 1996, we have been celebrating upscale hospitality in our 5-star superior resort in Ischgl. The von der Thannen family is continuously driven to remain one step ahead and exceed even the highest expectations. While the architecture of the hotel alone provides more than ample space for privacy, the superior service delivered by the entire Royal Team makes every guest a king. With two award-winning restaurants, 2,500 m² for exquisite wellness & beauty, as well as spaciously designed rooms and suites with noble natural materials and royal accents, this is luxury at its finest. At our doorstep, take advantage of top quality infrastructure and unrestricted freedom of movement in our breathtaking mountain world. On November 23, the Silvretta Arena invites you to the first Ski Day 2023. The ski resort is one of the snow-richest and most exclusive in the Alpine region. 45 lift facilities provide winter sports enthusiasts with fast and convenient access to 515 hectares of slopes in Tyrol and Switzerland. Also in summer, our hiking and biking trails will treat you to a seemingly endless Alpine journey full of adventure. The aim of our Royal News is to get you excited about all the big and small moments of happiness awaiting you.

WE LOOK FORWARD TO WELCOMING YOU SOON!

FAITHFULLY, YOUR HOSTS JOHANN & ALEXANDER VON DER THANNEN

AMBIENCE, PARLOURS & CUISINE

The Gourmet & Relax Resort

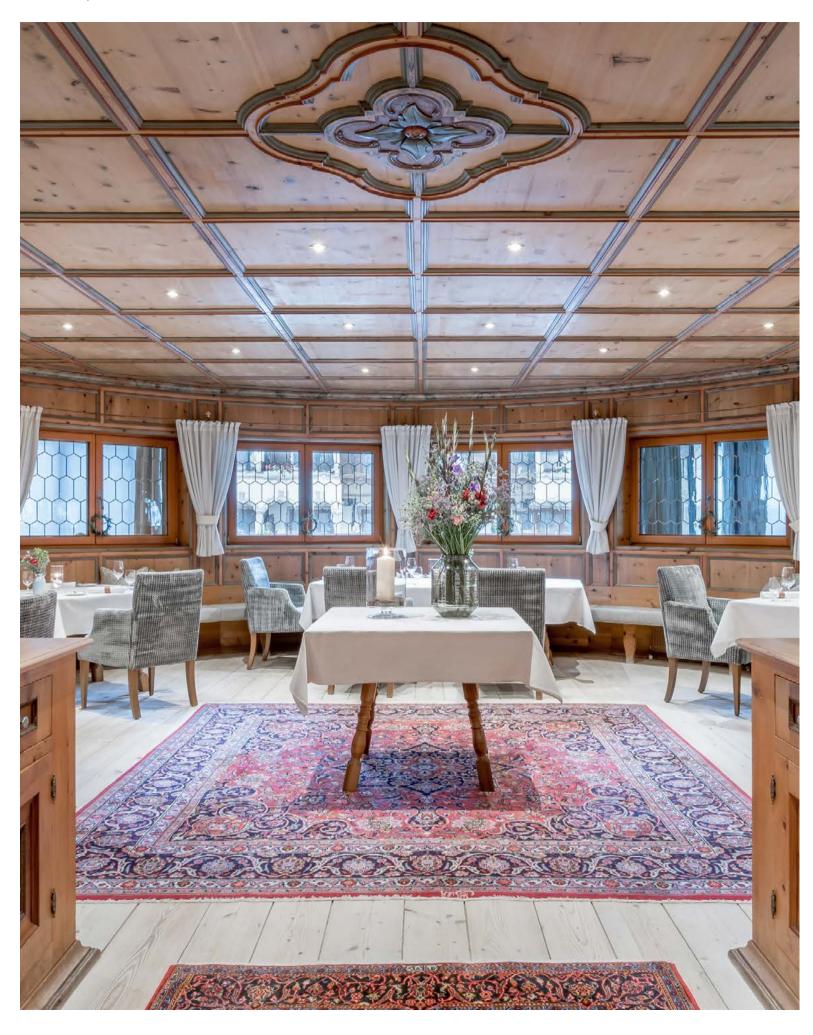

Martin Sieberer, one of the most highly decorated chefs in Tirol (including a Michelin star), conducts a symphony of pots, pans, etc. At the Trofana Royal, he has been spoiling guests with his Gault & Millau award-winning creations since 1996.

The recipe for success: Inspiration, a pronounced awareness for quality, an emphasis on regional traditions including reinterpretation and a sophisticated interplay of downto-earth and innovative forms of preparation.

AMBIENCE, PARLOURS & CUISINE

A Paradise for Connoisseurs

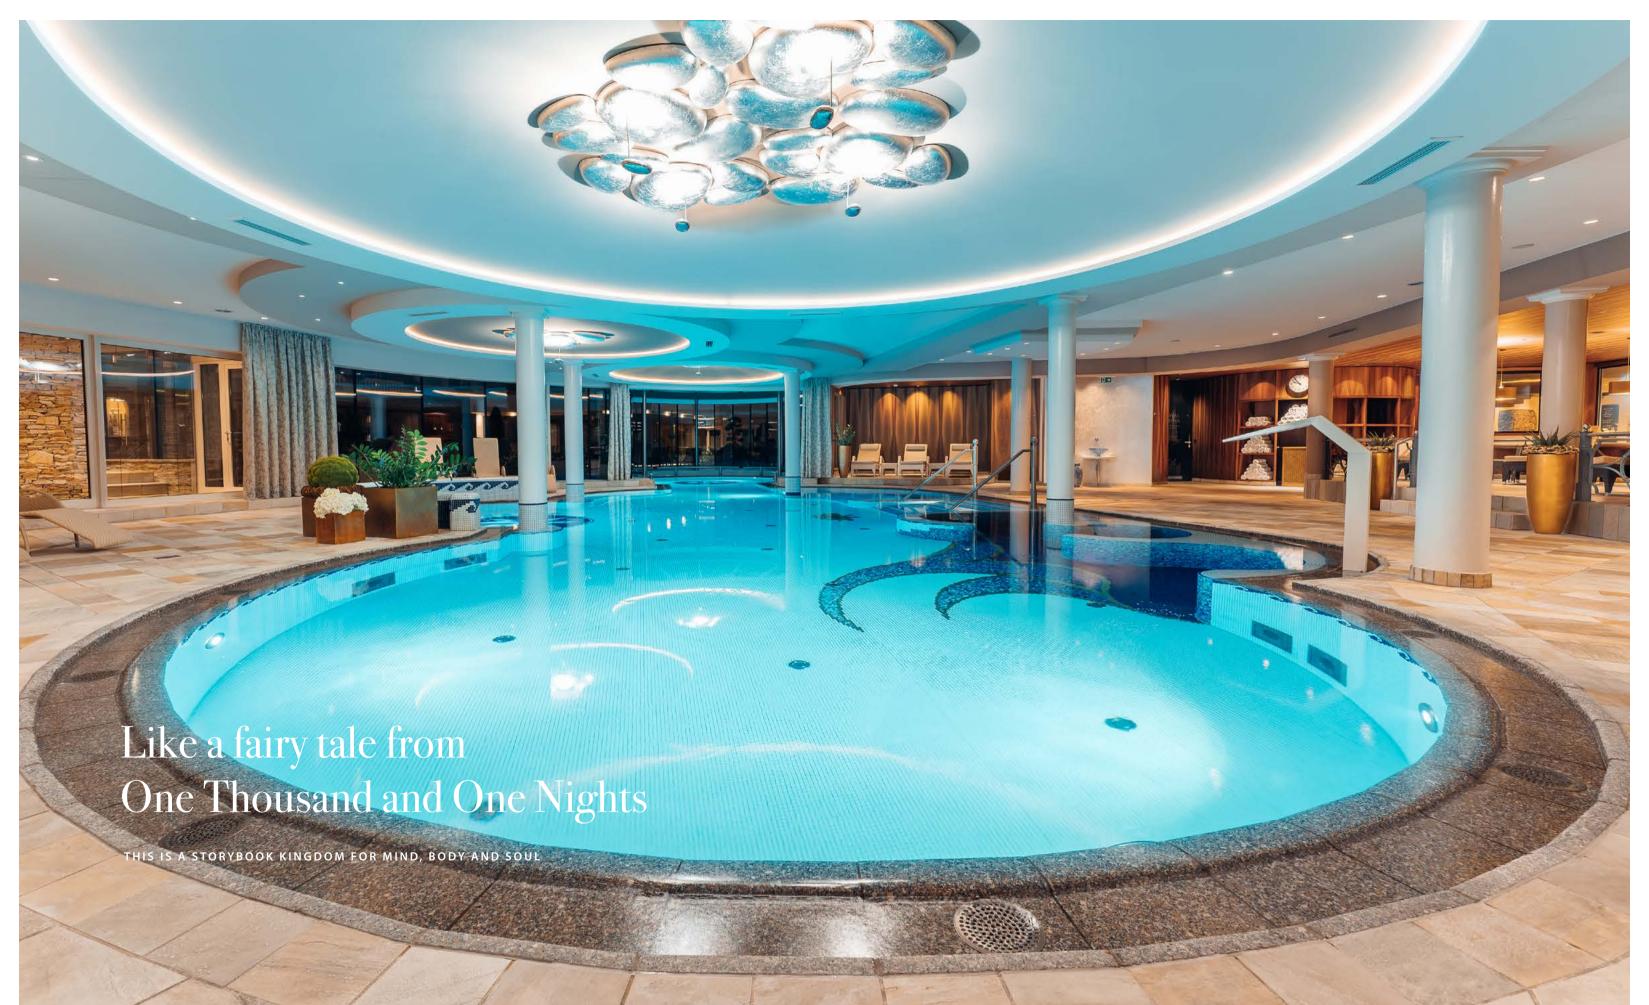

Even well-travelled gourmets praise the culinary variety at the Trofana Royal. The two à-la-carte restaurants, the Paznaunerstube and Heimatbühne, as well as the elegant rooms featuring Royal half-board, offer the highest variety of enjoyment under one roof.

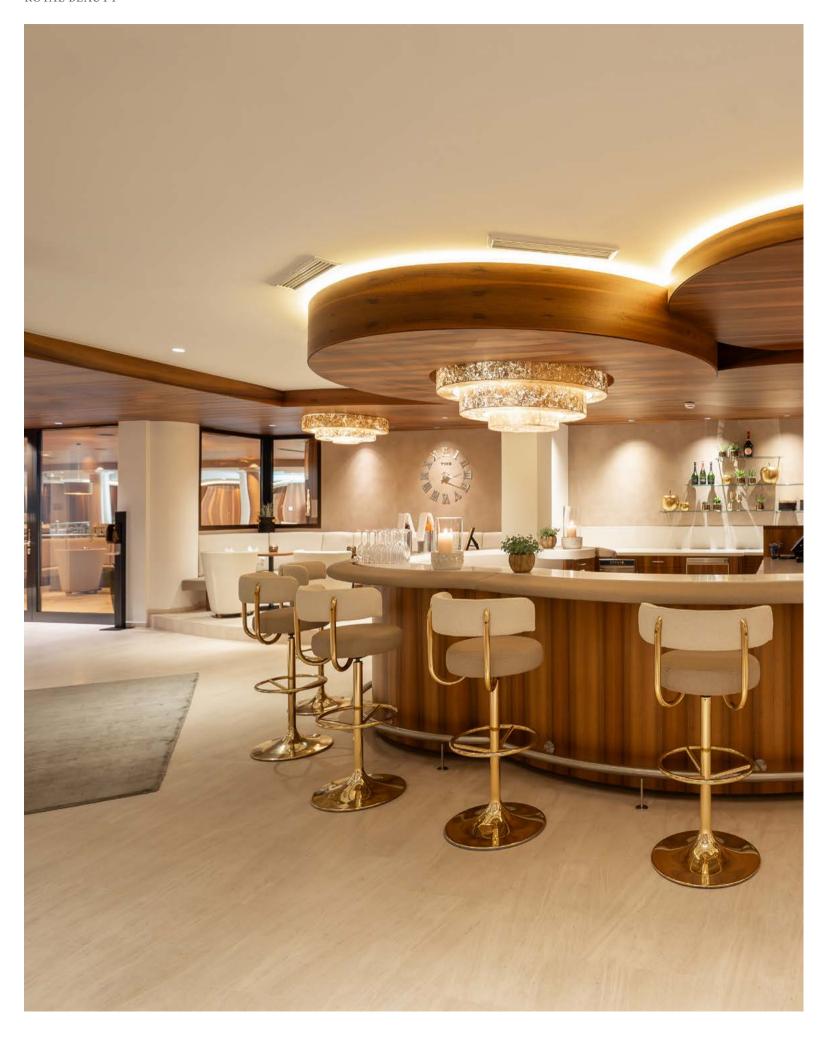

The culinary offerings are regally complemented by a wine cellar that is unparalleled in the Alps. About 25,000 bottles are stored there. The selection was put together with passion by the host family and certified sommelier Christian Zögernitz.

Ischgl in Winter

Unlimited skiing pleasure. Majestic mountain landscapes. And in the middle of it all, a place that pulsates with joie de vivre: Ischgl in Paznaun is the "place to be" for discerning connoisseurs. Not so long ago, Ischgl was still a sleepy mountain farming village. This grounded aspect still exists in this village of 1,600 inhabitants, despite the fact that it now offers guests the highest level of comfort and is known far and wide as the lifestyle Mecca of the Alps. A glamorous ski holiday in Tyrol is all about seeing and being seen. But this is just one aspect: Those who prefer peace and calmness will also find their quiet, dreamy corners in Ischgl.
